

Dear Community Partner,

Gladesville RSL & Community Club has and continues to be committed to supporting the local and wider community through grants, donations, and support. It is important for the club that we follow clear requirements in reporting these donations through the ClubGRANTS programme.

Donations generally will be under two categories. These include.

- Category 1 ClubGRANTS that are cash donations to community welfare and social services, community development, health services and employment assistance activities, and other projects aimed at improving the living standards of low income and disadvantaged people.
- Category 1 ClubGRANTS – In Kind that are donations in kind for use of facility or product such as function room use, staff support and other in kind donations.

As of 2023 all applicants are required to create an account with ClubGRANTS as well as formally apply for their donation or support online. This is required to be completed before any support is approved. In line with this please complete the following:
